GOVERNMENT OF INDIA
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
LOK SABHA

UNSTARRED QUESTION NO:3742
ANSWERED ON:09.08.2017
PMKVY
Subbareddy Shri Yerram Venkata

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

(a) whether the Government has trained 2 million youth under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) and if so, the wages on which the Government justifies and quantifies the claim;

(b) whether two of the top 20 institutes lacked proper basic infrastructure and did not even have enough space to train a fraction of the claimed numbers and if so, the response of the Ministry in this regard;

(c) whether Aadhaar for every student is mandatory for getting trained; and

(d) if so, the reasons for verifying Aadhaar numbers of more than 70,000 students every year?

Answer

(a) Under Pradhan Mantri Kaushal Vikas Yojana (PMKVY), as on 6th July 2017, total 30,67,080 candidates are trained / undergoing training across country. Further, the trained candidates are either placed in various sectors or self-employed.

(b) Under PMKVY 2016-20, the focus has been given to quality training centres (TC) for imparting training. In general, minimum 4 star or above rating TCs are allowed for imparting training under the scheme. The grading of TCs (4star and above) is linked with quality of infrastructure availability, training capacity, past performance, geographical location and other relevant parameters. Target allocation of these centres is based on star assigned to them by the Centre Accreditation and Affiliation Committee.

(c) and (d) Yes Madam, as per guidelines of PMKVY, Aadhaar is mandatory for candidates [or alternate IDs in the case of J&K and applicable North-East states] at the time of enrollment. However, for candidate who does not have an Aadhaar number, the Project Implementation Agency is required to facilitate the same alongwith candidate's enrolment under the Scheme.
